Dynasty Spirit Elite All Stars, Inc. Cheer & Dance

Dear Future Kings & Queens

Dynasty Spirit Elite All Stars would like to welcome you into our Royal Family where we train and hearten the Kings and Queens of the future.

Dynasty Spirit Elite All Stars, Inc. (DSE) is a non-profit competitive cheer and dance organization established to provide a way for the youth of the Philadelphia area to focus their energy in a fun and positive direction. DSE not only provides cheer and dance training, but also teaches life lessons, leadership skills, discipline, teamwork, and family values.

As an all star of DSE, young men and women under the age of 18 will be offered cheer and dance as a competitive athletic sport. We will not cheer for any organized sport; our athletes will compete through choreographed routines which include dance, cheer motions, jumps, stunts, and gymnastics tumbling in local area competitions as well as regional and national competitions throughout the U.S. Training in these skills is provided by professionals. Our instructors will also encourage and reinforce teamwork, responsibility, and support of one another. We are creating a family oriented and positive Dynasty that encourages each athlete to give 100% in all that they do in their athletic and academic capabilities. We are providing the right tools so all of our youth can train to be strong athletes as well as strong and successful leaders in the future.

We have a vision of giving back to our community. We believe that “Winning is not just National Titles and trophies.” Winning is about giving 100% in all that you do both on and off the competition floor. As directors of this program, our personal goal is to be the inspiration leaders and role models for everyone involved. Combined, we have over 20 years of cheer and dance experience.

USASF Level Status

USASF

The United States All-Star Federation (USASF) was created to help standardize the industry. The USASF took input from industry leaders to come up with a logical system of determining the various divisions, levels, and rules. In order to be an All-Star and compete at a USASF sanctioned event, every all-star must be credentialed through the USASF. A \$25 fee is required, and coaches will fill out the necessary paperwork needed. Your age as of August 31st, 2009 will determine your “competition age” for that entire season. In other words, if you are 14 on August 31st, you compete as a “14 year old” for that entire season, even if you turn 15 on September 1st. There is no minimum age requirement for any of the regular divisions, except for the potential of a 12 year minimum age for select senior divisions. For more information on the USASF, please visit its website at www.usasf.net.
